SOUTH WALES FIRE & RESCUE AUTHORITY
ANNUAL GENERAL MEETING
REPORT OF THE DEPUTY CHIEF OFFICER

AGENDA ITEM NO 5
8 JUNE 2020

**TO AGREE COMMITTEE MEMBERSHIP FOR THE MUNICIPAL YEAR
2020/21**

SUMMARY

The report provides details of the number of Members required for each Fire & Rescue Authority committee.

RECOMMENDATION

That Members determine whether the membership of the Finance, Audit & Performance Management Committee is politically balanced or is not politically balanced but contains one representative from each constituent Unitary Authority.

That nominations for membership of each of the Fire & Rescue Authority Committees be received.

1. ISSUE

- 1.1 Standing Orders provide that the Fire & Rescue Authority is to appoint the committees required by Procedural Standing Order 4.1. These committees are:
 - 1.1.1 Finance, Audit & Performance Management Committee (10 members)
 - 1.1.2 Standards Committee (3 members)
 - 1.1.3 HR & Equalities Committee (15 members)
 - 1.1.4 Local Pensions Board (4 members)
- 1.2 In accordance with sections 15-17 of the Local Government and Housing Act 1989 such committees (with the exception of the Standards Committee) are to be politically balanced unless unanimously agreed otherwise by Members. This is a decision for Members to determine.
- 1.3 As Members will be aware, it has been custom and practice for many years within the Authority for the membership of the Finance, Audit & Performance Management Committee to reflect the inclusion of the constituent authorities rather than be politically balanced. This ensures that all ten authorities are represented on the committee where financial issues are considered.
- 1.4 The political balance calculations for each committee are detailed at Appendix 1.

- 1.5 For convenience, the names of the Members who sat on each committee in 2019/20 are detailed in Appendix 2 with those Members who no longer sit on the Authority highlighted in yellow. For Members information, the Authority only has one new Member this municipal year, Cllr Wayne Hodgins, who has indicated that he is happy to sit on the same committees as the outgoing Member Cllr Julie Holt.
- 1.6 In addition, where a Member has already indicated that they no longer wish to sit on a particular committee, that position has been highlighted in green (Pensions Committee).
- 1.7 Members are reminded of the Independent Remuneration Panel requirements of a minimum 20 days per year time commitment per Authority Member to the Authority when determining membership of committees (and also working groups and outside bodies detailed in later reports), meaning that Members should sit on at least one committee or working group in addition to attending Fire Authority meetings.

2. RECOMMENDATION

- 2.1 That Members determine whether the membership of the Finance, Audit & Performance Management Committee is politically balanced or is not politically balanced but contains one representative from each constituent unitary authority.
- 2.2 That nominations for membership of each of the Fire & Rescue Authority Committees be received.
