REPORT OF THE TEMPORARY DIRECTOR OF CORPORATE SERVICES

PROPOSED REFORMS FOR SCRUTINY GROUP

THIS REPORT IS FOR DECISION

REPORT APPROVED BY TEMPORARY DIRECTOR OF CORPORATE SERVICES

REPORT PRESENTED BY TEMPORARY DIRECTOR OF CORPORATE SERVICES

SUMMARY

Members will be aware that several reports on the proposed reforms and new Terms of Reference for the Scrutiny Group have been presented to the Finance, Asset & Performance Management Scrutiny Group, the Finance, Audit & Performance Management Committee, the HR & Equalities Committee and the Fire & Rescue Authority, for discussion and consideration.

RECOMMENDATIONS

That Members consider the options outlined in paragraphs 2.3 to 2.7 to reform the Finance, Asset & Performance Management Scrutiny Group in the new municipal year 2022/23.

That new Terms of Reference be drafted by the Scrutiny Group at the first meeting in September prior to final approval by the Fire & Rescue Authority.

1. BACKGROUND

- 1.1 Members will be aware that several reports on this matter have been presented to the Finance, Asset & Performance Management Scrutiny Group, the Finance, Audit & Performance Management (FAPM) Committee, the HR & Equalities Committee and the Fire & Rescue Authority.
- 1.2 At the Fire & Rescue Authority meeting on 22 March 2021 (minute attached to the report as Appendix 1), it was resolved that the issue would be referred back to the FAPM Committee and the Finance, Asset & Performance Management Scrutiny Group for further consideration prior to proposals being reported back to the full Fire & Rescue Authority.

2. ISSUES

- 2.1 Following the Fire & Rescue Authority meeting in March 2021 where this matter was referred back through the relevant committees, the Finance, Asset & Performance Management Scrutiny Group reviewed and considered all previous proposals at their meeting on 11 October 2021.
- 2.2 At the Scrutiny Group meeting in October, it was agreed to maintain a Fire & Rescue Authority Member-only committee with co-opted subject matter experts to be invited as and when required. It was noted that this could potentially expand the diversity of the Scrutiny Group, especially when including members from younger or minority representation groups.
- 2.3 The recommendations made by the existing Finance, Audit & Performance Management Scrutiny Group for the future establishment of the Scrutiny Group is as follows:
 - Chairs and Deputy Chairs of Fire & Rescue Authority or Committees are not able to be on the Scrutiny Group.
 - Members of the FAPM Committee are not able to be on the Scrutiny Group.
 - Members of the HR & Equalities Committee are permitted on the Scrutiny Group.
 - Invited co-opted subject matter experts as and when required.
- 2.4 An area of concern when considering the make-up of the Scrutiny Group was the additional workload and impact on Members who currently sit on more than one committee. Therefore, an additional proposal was made to reduce the number of Members on the HR & Equalities Committee from 15 to 10. Should this proposal be pursued, the Terms of Reference for this committee would have to be amended and the political balance would have to remain across the reduced number of Members.
- 2.5 For information, Members are reminded that the HR & Equalities Committee was initially only five Members, and was increased to 15 Members in 2009 due to the number of Appeal Panels at that time. The requirement for Members to sit on such appeals has subsequently been removed.
- 2.6 The above proposals were considered and approved by the HR & Equalities Committee in November 2021 and by the FAPM Committee in December 2021.

- 2.7 In March 2022 the Fire & Rescue Authority discussed an amended proposal to reduce the HR & Equalities Committee to 12 Members and to allow all Members except the Chairs and Deputy Chairs to be able to sit on a scrutiny group of seven Members with three substitutes. It was unanimously agreed to defer the decision for any reforms to the newly formed Authority following the elections.

APPENDIX 1**2. EXTRACT FROM FIRE & RESCUE AUTHORITY MINUTES DATED 22 MARCH 2021****56.6 PROPOSED NEW TERMS OF REFERENCE FOR SCRUTINY COMMITTEE**

The Deputy Chief presented the report that summarises the consideration that Members have given to the issue of reforming Fire & Rescue Authority (FRA) scrutiny with a view to making this more independent from key committee decision makers. The report proposes updated Terms of Reference for a newly formed Scrutiny Committee further to Members' consideration of an earlier report (12 October 2020) on proposed reform of FRA scrutiny. It highlights the likely knock on implications that such changes will have on the membership of other FRA committees and also considers an alternative proposal put forward by the FAPM Committee at their meeting last week on 15 March 2021. The alternate option involves merging the FAPM and HR & Equalities Committees into a single new resources committee of 10 members and increasing the membership of the Scrutiny Committee also to ten Members. The same rules as to not sitting on both the new resources committee and the Scrutiny Committee would apply.

Councillor Naughton expressed his concern regards overstretching of Members. He added that if committees were merged there would be an issue with balance plus some Members could be overworked. He expressed that he would wish to keep committees separate, with the Scrutiny Committee comprising of seven members with the option for three independent members to opt on.

Councillor Evans commented that membership only works if all Members attend meetings, advising that there is added pressure on other Members to make up the short fall. He felt that the new proposal would negate this going forward.

RESOLVED THAT:

Members agreed to refer the issue back to FAPM Scrutiny Committee, HR & Equalities Committee and FAPM Committee for them to consider both committee options in further detail and provide views back to a later Fire and Rescue Authority meeting'.

AGENDA ITEM NO 6
13 JUNE 2022

REPORT OF THE MONITORING OFFICER

TO AGREE COMMITTEE MEMBERSHIP FOR THE MUNICIPAL YEAR 2022/23

THIS REPORT IS FOR DECISION

REPORT APPROVED BY MONITORING OFFICER

REPORT PRESENTED BY GERAINT THOMAS - MONITORING OFFICER

SUMMARY

The report provides details of the number of Members required for each Fire & Rescue Authority committee.

RECOMMENDATION

That Members determine whether the membership of the Finance, Audit & Performance Management Committee is politically balanced or is not politically balanced but contains one representative from each constituent unitary authority.

That nominations for membership of each of the Fire & Rescue Authority committees/groups be received.

1. ISSUE

- 1.1 Standing Orders provide that the Fire & Rescue Authority is to appoint the committees required by Procedural Standing Order 4.1. These committees are:
 - 1.1.1 Finance, Audit & Performance Management Committee (10 members)
 - 1.1.2 Standards Committee (3 members)
 - 1.1.3 HR & Equalities Committee (15/12 members)
 - 1.1.4 Local Pensions Board (4 members)
- 1.2 In accordance with sections 15-17 of the Local Government and Housing Act 1989 such committees (with the exception of the Standards Committee) are to be politically balanced unless unanimously agreed otherwise by Members. This is a decision for Members to determine.
- 1.3 As Members will be aware, it has been custom and practice for many years within the Authority for the membership of the Finance, Audit &

Performance Management Committee to reflect the inclusion of the constituent authorities rather than be politically balanced. This ensures that all ten authorities are represented on the committee where financial issues are considered.

- 1.4 At the time of drafting these papers nominations had not been received from Bridgend and Newport Local Authorities.
- 1.5 The number of members required for each committee are detailed at Appendix 1.
- 1.6 For convenience, the names of the Members who sat on each committee in are detailed in Appendix 2
- 1.7 There have been no indications that existing Members no longer wish to sit on a particular committee.
- 1.8 Members are reminded of the Independent Remuneration Panel requirements of a minimum 22 days per year time commitment per Authority Member to the Authority when determining membership of committees (and also working groups and outside bodies detailed in later reports), meaning that Members should sit on at least one committee or working group in addition to attending Fire Authority meetings.

2. RECOMMENDATION

- 2.1 That Members determine whether the membership of the Finance, Audit & Performance Management Committee is politically balanced or is not politically balanced but contains one representative from each constituent unitary authority.
- 2.2 That nominations for membership of each of the Fire & Rescue Authority committees/groups be received.
