Dear Sir/Madam,

RE: Request for Information held by SWFRS

Your request ref: IG001270 has been dealt with under the Freedom of Information Act 2000.

You asked us:

I'm a journalist at BBC Wales and my colleague [REDACTED] forwarded me the attached FOI response you sent to her in October regarding cladding and fire safety measures.

Could you please let me know if there has been any update to the numbers quoted in the response?
Previous Freedom of Information request ref: IG001109

And also, are you able to send me a list of the affected buildings?

Our response:

South Wales Fire and Rescue Service can confirm that it does hold detail on properties as described however we are unable to provide these specific property identifiers (locations and addresses) at this time. Under Section 36 of the FOIA 2000, to do so would be likely to prejudice the effective conduct of public affairs, in relation to regulatory functions i.e. the prevention of (fire) crime as well as health, safety and security matters.

However we are of course happy to provide you with updated figures as requested, following your previous request ref IG001109 dated. Please see below table, it relates to information up to the date of your most recent request 06/01/2022.
